

AACR-G.H.A. Clowes Award for Outstanding Basic Cancer Research

AWARD PROGRAM GUIDELINES

AWARD SUMMARY

- The AACR and Eli Lilly and Company established this award in 1961 to honor Dr. G.H.A. Clowes, who was a founding member of the AACR and a research director at Eli Lilly and Company.
- This award is intended to recognize an individual who has made outstanding recent accomplishments in basic cancer research.

ELIGIBILITY CRITERIA

- Cancer researchers affiliated with any institution involved in cancer research, cancer medicine, or cancer-related biomedical science anywhere in the world may be nominated. Such institutions include those in academia, industry, or government.
- The award may only be presented to an individual investigator.
- Institutions and/or organizations are not eligible to receive the award.

NOMINATION PROCESS

- Nominations may be submitted by any individual, whether an AACR member or nonmember, who is currently or has previously been affiliated with any institution involved in cancer research, cancer medicine, or cancer-related biomedical science.
- Self-nominations are prohibited.
- Nominators must maintain strict confidentiality of their nominations and all nominations must be submitted electronically to <https://myaacr.aacr.org>. Paper nominations will not be accepted.
- Eligible nominations must include the following:
 - A nomination letter written in English (Max: 1,000 words), which comprehensively describes the candidate's outstanding recent accomplishments in basic cancer research. Letter must specifically outline the candidate's current research activity and indicate how their research holds promise for continued substantive contributions to the cancer field. All publications that directly support the mentioned research accomplishments must be referenced within the provided letter.
 - A brief scientific citation (Max: 50 words) highlighting the major scientific contribution(s) justifying the award candidate's nomination.

AWARD SELECTION

- Eligible nominees will be considered by an Award Selection Committee composed of an international cohort of cancer research experts appointed by the AACR President. After committee deliberations, primary and alternate award recipient recommendations will be relayed to the AACR Executive Committee for formal ratification.
- Selection of the award recipient shall be made on the basis of the candidate's scientific accomplishments without regard to race, gender, nationality, geographic location, or religious or political views.

INQUIRIES

- Please direct all inquiries pertaining to this award or any other AACR scientific achievement award to Michael J. Powell, PhD, Senior Director of Scientific Programs and Strategic Initiatives, at michael.powell@aacr.org or by phone at (215) 440-9373.
